

How Will You Know?

Any of your **Self-Pay** encounters can potentially become eligible for Retroactive Medicaid long after the patient's initial visit.

100% Contingency Based Retroactive Medicaid Tracking

Daily Tracking

RetroCAID® monitors every Self-Pay/Sliding Fee encounter within your system on a daily basis for the full length of its timely filing period.

Daily Alerts

Daily alerts notify your billing team whenever an encounter becomes retroactively eligible for reimbursement by Medicaid or an MCO.

Full Billing Detail

The complete billing detail required for reimbursement by Medicaid/MCO is provided for each retro-eligible encounter found that day.
